

Fully-funded computer training for YOU!

Are you confident about your computer skills?

Don't miss out on the wide variety of support available through the Farming Connect ICT programme:

- ✓ **Learn at the pace and level to suit you**
- ✓ **One-to-one or within a small group**
- ✓ **Beginner and Intermediate lessons from experienced ICT tutors**

Provided you are registered with Farming Connect, you can learn how to...

- Reduce the time you spend on farm or forestry paperwork
- Get your computer skills up to the standard you need
- Learn how to get the most out of emails, saving and sending documents, Microsoft Word, Excel, searching the internet, social media marketing, navigating RPW online and much more.

Develop your computer and web-based skills, develop your confidence!

“The lessons were enjoyable, yet informative and very helpful to novices to technology like myself.”

Mrs W., Mold

“Very patient tutor. Very helpful.”

Mrs G., Clynderwen
